2011 EUROPEAN TOUR

Our Sponsors

**EURO
SPORT**

**CENTRAL
EXTERMINATING CO.**

Dear Sponsor,

Soccer has been an important part of my life for many years. I have been playing locally and hope to someday play not only on a high school varsity team, but also on a college soccer team. I know that in order to achieve my dreams, I must work hard in school and athletics, be dedicated and take advantage of any developmental opportunities that will help me to become a better player.

Recently, I was invited to become a member of the Samba Soccer Club and travel to Europe to compete in some of the highest levels of youth soccer competitions in the world. Samba is a highly selective Soccer Club, which takes young soccer players like myself to Europe annually, for a period of eighteen days and develops our techniques. The club is committed to developing the players mentally, physically and emotionally as well as exposing us to other cultures.

This is a very exciting opportunity for me. It will allow me to experience different cultures, meet new people from all over the world, and hopefully grow as a soccer player and person. I hope that I will be able to accept this invitation.

The total cost for the trip is around **\$3,700.00**. I am asking for any support that you may be able to give in order to make this opportunity a reality for me. Any funds donated will go the Samba Soccer Club and will be used to cover expenses of this European tour, which include the costs of my participation. Samba Soccer Club will do everything possible to place an article about the team's success in our local newspaper upon return. We would also like to offer to place an advertisement for you or your company on our website. The advertisement will include a thank you for your sponsorship.

I want to thank you in advance for taking the time to review and consider my request. I look forward to hearing from you.

Sincerely,

EUROPE

This program is not for the player who wants to go to Europe as a spectator. It is for the serious player who wants to play soccer at the next level.

WHY SHOULD I SEND MY CHILD?

Your child has reached a high level in his/her soccer development, therefore, it is critical for them to be exposed to the other players at an advanced level. This program will help motivate, develop confidence, and pin point the areas that he/she needs to develop to become a better player.

WHAT WILL HE/SHE GAIN FROM THIS EXPERIENCE?

Unlike anything else, sports bring the world together. Soccer is one of the most popular sports worldwide. Your child will gain greater appreciation for the game of soccer, better understand the importance of knowing other languages, meet other player from all over the world, develop new friendships, and try different foods. One example of this is from a former U-12 player who commented after playing a friendly game against a German team, "Coach, we are the only team that speaks one language." That player immediately recognized the need to learn a second language.

Just as important as it is for players to move from recreational soccer program to travel---Premier---Tournament---Next---- Europe. This experience will follow your child throughout his/her soccer career.
